CROSSROADS OF AMERICA EXCHANGE CLUB

Lets break a world record!

Join us on the Indiana Veterans Memorial Mile around the Memorial Stadium, on September 24th, at 11am as we attempt a world record for Child Abuse Prevention – CODA, CASA, The Children's Bureau, and Families By Choice. The record: 2000+ people holding hands around the Indiana Mile.

Here's My 20, Feeding & Protecting the Children of the Wabash Valley. Donate \$20 or 20 pounds of non-perishable food on the day of the event. The food will go to the coffers of Catholic Charities.

Can't give \$20, do what you can, but get involved.
