Ordinance Adoption Meeting

False Alarm Ordinance (Chapter 59). County Attorney Mike Wright stated the False Alarm Ordinance was up for adoption today. Public Hearing was held January 30th in the Council Chambers and after some discussion at the public hearing there were some modifications to the Ordinance. Section 7 addressing permit fees were modified to allow for a grace period of six (6) months of the enactment of the ordinance. Responsible alarm owners believed they should not be penalized and have to pay the fee. Commissioner Mason stated he thought they were doing away with the permit fees all together. Discussion had and the Board agreed they did not want user permit fees for residences and businesses, alarm companies only. Will require alarm companies to provide updates quarterly. Mike Wright will make corrections and they can vote on next Tuesday, February 14th @9:00 a.m.
