RE: Solid Waste

Discussion on Toxic Waste Days – date selected for toxic waste day is Saturday, October 19, 2013. The toxic waste day will be sponsored by the Vigo Solid District. Location will be the Wabash Valley Fairgrounds, open to Vigo County and Terre Haute City residents. City and County equipment will be made available.

Mike Wright will handle the legal requirements needed to have the toxic waste day.

Information was given concerning the tire chopper trailer that was owned by the Vigo, Clay Owen solid waste district. Apparently Clay Co retrieved the equipment from the Vigo County Highway Department prior to Vigo County pulling out of the district. Mike Wright is looking to the legal issues involved in the division of the assets district owned prior to dissolution.

There being no further business, it is now ordered the Board be recessed.
