Re: Additional Appropriation

County Auditor & County Council:

We are requesting to be put on the agenda to meet with the Budget Adjustment Committee and County Council as soon as possible.

Due to the harsh winter that occurred this year as well as the rising price of fuel, the Highway Department has incurred costs that have strained our budget in more than one area. To run our department efficiently, we are requesting additional appropriations for gasoline and payroll (including Fica and Perf). The breakdown is as follows:

14-072

Vigo County Council,

The Commissioners are requesting a cell phone stipend for the five (5) individuals of the Building Maintenance staff. Currently they are not compensated for any cell phone use. The Commissioners looked into several options to offset this expense. The best option was a numerical paging system that each staff member would use. Monthly rental of the pagers would be \$17/month per pager. This would be no benefit since they would have to turn around and return the call on their own personal cell phone. Allowing them the smallest stipend of \$35/month would offset some of their usage since they are contacted many times a day from several county offices.

We would also like to request that the cell phone stipend for Mike Schalburg be increased from \$70/month to \$100/month. This increase is necessary due to all the extra controls that Mike is responsible for. He maintains all locks at the annex; lights, locks, and HVAC for the courthouse; and HVAC for the jail.

Thank you,

Vigo County Commissioners

Vigo County Council,

As you are aware, the Commissioners are responsible for paying the line item for the Humane Society out of their budget. Since we settled the rooster bill out of our budget, in the amount of \$8800.00, we are coming up short for the remainder of the year. We did receive reimbursement for the Hwy 150 dogs in the amount of \$8520.00, but we were informed that those funds would have to go back in County General. We are asking for an additional \$7000.00 to get us through the end of the year. The balance as of today, 7/11/14, is \$1,316.93. Without this additional money, we will have to turn down animals throughout the county until 2015.

Thank you,

Vigo County Commissioners

Vigo County Council,

Due to the increase in postage costs, the Commissioners are asking for an additional \$125,000 in postage to get us through the rest of 2014. Currently we have \$26,939 left in our line item. We are averaging around \$22,000/month between and annex and the courthouse. With increased usage by the courts and clerk, and another election in November approaching, we feel this is a reasonable number to cover outgoing mail.

Thank you for your consideration,

Vigo County Commissioners

RE: Additional Appropriation

County Auditor/Council:

With the recent pending ACLU lawsuit regarding Jail overcrowding and the temporary housing of inmates in the Knox, Clay and Parke County Jails to relieve the jail population, I am requesting an additional appropriation of **\$122,150** to be placed in line 32100 Care of Patients & Inmates. To date, this fund has been depleted and the requested amount should fund the projected shortfall through the end of the year.

Vigo County Community Corrections	\$1,650 (June 2014)

Projections: (Based on historical data)

State Mental Hospitals	\$ 350 month* X 6	\$ 2,000
VCCC	\$1,800 month* X 6	\$10,800
Housing Other Jails	\$15,750 month** X 6	\$94,500

RE: Appropriation of Grant Funds

County Auditor/Council

In March 2014 the Vigo County Sheriff's Office applied to the State of Indiana, Indiana Department of Transportation for an 80/20% grant for the purchase of photogrammetry equipment and software to aid in the creation of the Vigo County Fatal Alcohol Crash Team. The Sheriff's Office was awarded the 80% grant, with the Prosecutor's Office agreeing to the 20% match, (see attached).

The equipment has been purchased and the grant monies have been reimbursed to the County Auditor. I am requesting the amount of \$6645.00 (20%-Prosecutor match) and the grant amount of \$26,580.00 be appropriated from CAGIT Misc. Revenue to Grant Purchases, 1110-43115-000-0005.

Health Donation Fund (4103)

At the time of the budget preparation for 2014, there was one employee with employee only insurance, the other with no insurance. Now they both have insurance, both for employee/spouse. An additional appropriation of \$13,661 will be needed for the remainder of 2014.
