Comment from Public or Other Vigo County Representatives. Pastor Dwayne Mallone requested information from County Attorney Mike Wright at the beginning of the year regarding numbers of employees for the County and he has received that and discovered that there are 671 employees that work for Vigo County and 16 of them are African American. County Commissioner Judith Anderson stated that these applications for hire are done online and there is no way to tell the race of people who apply. They don't realize the race of the person until they are called in for an interview and that's based upon the review of their applications first. County Commissioner Brad Anderson stated that they could talk to Human Resources about his concerns.

Pastor Dwayne Mallone asked about his brochure " New Life "- a non for profit Transitional Support and Guidance Facility for non-violent mid- low level male felons.

Jerry Netherlain stated that Mary Lane and Cook Road are flooded.

There being no further business, it is now ordered the Board be recessed.
