Comment from Public or other Vigo County Representatives. County Commissioner Jon Marvel commented on the Council meeting last night. He would have expected from our higher academia from the University to show a little more respect in the way we were treated last night. County Commissioner Judith Anderson also commented she is very disappointed in this as well.

County Commissioner Brad Anderson also commented on the meeting last night; it was a good crowd last night and nice to see the public involved and yet disappointing in some of the people.

This fundraiser is for the new construction for the church and parking lot. He is also wanting to get the Health Department involved and would like them to provide free blood pressure checks, diabetes check, free eye exams and anything else they are willing to help provide.

Jeremy Snowden who is the Director of the IT Department stated that he recorded the meeting last night to make it available for anyone who wants to listen to it; it's just the audio of the meeting. It is available on the Vigo County website for anyone to link to it.
