UZO #13-18; Parcel No. 84-07-15-353-003.000-008. Common Address of 7990 E. Gospel Grove Ave, Terre Haute, IN 47803. Rezone from R-1 to A-1. Proposed use is a home for therapy horses. Property owner is Farris Scoggins and Angela Scoggins. Petitioners are the same as the property owners and was present. No remonstrators were present at the Area Plan Commission Meeting or at this meeting. Received an unfavorable recommendation due to the staff's findings.

Those that spoke in favor were:

1. Angela Scoggins- Petitioner/Property Owner
 - These horses are therapy horses
 - The horses need to receive the proper care they deserve
 - Angela relies on these horses to help with her health just as much as they need her for their health
 - The neighbors enjoy the horses company and are friendly horses
 - They are her pets/part of the family, not just farm animals
2. Farris Scoggins- Petitioner/ Property Owner
 - These horses are companion animals
 - They were looking for a mini horse and found one not knowing she was pregnant, that's how they ended up with a few horses and are unable to separate them
 - Should be circumstances for everyone who applies for a permit to be handled individually not just based off one law that is set for everyone

Motion: Retain the animals with an extension of 180 days but the horses must be moved by the end of the 180 days to an agricultural zoning **Action:** Deny, **Moved by:** Jon Marvel, Seconded by: Brad Anderson, **Passed:** all ayes.
