Present: Mark Clinkenbeard, Chris Switzer, Mike Morris

Others present: Auditor Larry Hutchings, Chief Deputy Auditor Jennifer Werth, Tammy York-Allen, Judy DeLisle, Tona Bean, David Kronke.

Mark Clinkenbeard called the meeting to order at 1:00 p.m.

Auditor Larry Hutchings and Judy DeLisle with the Auditor's Office explained this meeting was called to provide the Board with information about new legislation related to the Commissioners' responsibility with CVET and FIT distributions.

Judy explained new state legislation now gives the Commissioners the ability to distribute these funds as they see fit. Judy explained in the past the state dictated how to distribute these funds

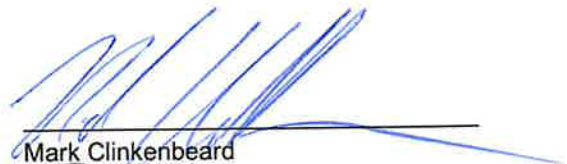

Judy noted those who "normally" get distributions are counting on these funds for their budgets in 2026, but going forward to 2027 changes could be made by the Commissioners.

Judy distributed information to the Commissioners about how much funding the County receives from CVET and FIT.

There was brief discussion about the potential of moving some of these distributions to different funds in the future.

Chris Switzer made a motion to take the information received at this meeting under advisement, work with County Department Heads and Judy, then make a decision on these distributions at a later meeting. Mike Morris seconded the motion. The motion passed with a 3-0 vote.

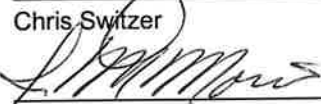

The meeting was recessed at 1:11 p.m.
